

FLOOR DRILL PRESS

JDP-840VADT

Industrial drill press with variable speed and 40 mm / M20 drill capacity

- MT-4 spindle taper
- Variable speed by frequency inverter, 65 – 540 / 245 – 2000 rpm
- Tapping function with depth stop-motor inverting switch
- Power down-feed 0.05, 0.1, 0.2 mm/rev
- Micro down-feed hand wheel
- Convenient table up/down adjustment
- Digital speed display
- Chuck guard with limit switch protection
- Emergency stop button

Included in delivery

- Keyless chuck 16 mm / B18
- Arbor MT-2 / B16
- Chuck guard
- Coolant system

Stock number

50000428T

Model	JDP-840VADT-T
Motor power input (400V)	2400 W / S ₆ 40% / 400V
Motor power output (400V)	1500 W / S ₁ 100% / 400V
Drill capacity in steel (St37)	40 mm
Tapping capacity	M20
Speeds / speed range	variable / 65 – 540 / 245 – 2000 rpm
Distance spindle column	264 mm
Spindle travel	150 mm
Table size	560 x 475 mm
T-slots	16 mm
Weight	382 kg

Accessoires

10002025	Machine vise 155 mm, clamp capacity 130 mm
10009337	T-nut 16 mm with bolt M14 x 60, washer and nut

Power down feed 0.05, 0.1, 0.2 mm/rev

Convenient table up/down adjustment
